Manufacturers

ABB Motors and Mechanical Inc.

www.baldor.com

DM-IDEX contact:

Todd Ward, National Channel Mgr Motors
403-463-7217
todd.ward@ca.abb.com

Products manufactured: A,B,C,D,E,F,G,I,J,L,N

Vertical market specialties:

North America - All industrial industries

Unique products/services:

More than 100 years ago, we set out to build a better motor, and that's still our goal. Today, ABB is the world's number-one manufacturer of NEMA motors, and we're proud to support you locally with the Baldor-Reliance product brand. When you choose an ABB Baldor-Reliance motor, you get a product designed and manufactured for quality and reliability, backed by a global network of sales and support professionals dedicated to providing a world-class customer experience.

Accurate Bushing Smith Bearing

www.smithbearing.com

DM-IDEX contact:

Charlie Horwitz, Industrial Sales Manager
847-486-5600
chorwitz@accuratebushing.com

Products manufactured: B

Vertical market specialties:

Smith Bearing® serves the global marketplace with a network of Industrial and Aerospace distributors, manufacturing plants and sales offices throughout the world. The structure of our operation affords us the ability to give highly personalized attention to every customer. Most importantly, this structure gives us the ability to respond immediately to our customers request as well as providing highly cost-effective products. Over 60 years experience in designing and manufacturing precision needle roller bearings, we can handle your requirements for standard aerospace and industrial bearings, as well as custom manufactured special bearings, assemblies, and bushings.

**PTDA 2024 Canadian Conference
DM-IDEX Directory**

Unique products/services:

We offer a complete line of stud type and yoke type cam followers, available in steel, stainless steel, and with engineered plastic internal bushings. The SMITH-TRAX® special duty track roller bearings are machined from high-alloy steel and are case-hardened for maximum longevity. These bearings are fitted with deep-groove ball bearings or tapered roller bearings to handle both high radial and thrust load applications. We are approved to manufacture bearings to military and aerospace specifications. Special bushings are available. We specialize in engineered cam followers to fit specific applications.

AMI Bearings, Inc.
www.amibearings.com

DM-IDEX contact:

Dennis Tanrikulu, National Sales Manager
847-204-9878
dtanrikulu@amibearings.com

Products manufactured: B

Vertical market specialties:

AMI serves a variety of industries. You will find AMI products in the following industries, Food & Beverage, packaging, material handling, to name a few.

Unique products/services:

AMI is a manufacturer of corrosion resistant and non corrosion resistant mounted unit ball bearings. We offer a vast array of products in both inch & metric series.

B & B Manufacturing, Inc.
www.bbman.com

DM-IDEX contact:

Todd Carroll, VP Sales & Marketing
317- 691-7165
todd.carroll@bbman.com

Products manufactured: A,C,F,G,I,N

Vertical market specialties:

Precision Mechanical (precise ½" OD – 3" OD) and Power Transmission (industrial up to 71" OD) products with focus on HVAC, Motion Control, Industrial Automation, Medical & Pharmaceutical Equipment Manufacturing, Conveyors & Packaging Equipment Manufacturing, 3D Printers, Agriculture Equipment Manufacturing, Converting Equipment Manufacturing, Robotics, Electric Propulsion Systems, and much more!

**PTDA 2024 Canadian Conference
DM-IDEX Directory**

Unique products/services:

B&B Manufacturing is North America's largest synchronous drive pulley manufacturer. As an American manufacturer, 75% of our entire product offering (synchronous pulleys/belts, spur gears/rack, sprockets,v-belt sheaves, taper bushings, idlers/tensioners, pulley bar stock, poly-v sheaves, flanges, plastic injected molded (gears, sprockets, pulleys), and more is manufactured in our 100K sq. ft., ISO 9001:2015 Certified manufacturing plant in La Porte, IN. B&B was established in 1998 and has over \$15M in finished goods inventory to help service your customers MRO needs and can manufacture custom products by utilizing our complete engineering team.

Bishop-Wisecarver

www.bwc.com

DM-IDEX contact:

Bill LeBeau, Sr. Sales Mgr. Distribution
401-871-3796
blebeau@bwc.com

Products manufactured: B,L

Vertical market specialties:

Machine Tool, Laboratory, Pharmaceutical Processing, Automotive Production, Industrial Automation, Medical Equipment, Inspection Equipment, Material Handling Equipment, Textile Machinery, Paper Processing and Converting, Food Processing Equipment, Semi-conductor, Packaging Machinery, Electronics Assembly, Non-contact Machining Equipment, Wood Processing Equipment, Heat Processing, Welding Equipment, Aerospace, & Refrigeration, Test and Measurement Equipment, Portable Machining Equipment, Precision AG

Unique products/services:

With 70+ years of experience, Bishop-Wisecarver is a pioneering force in motion solutions. We excel in designing and manufacturing high-quality linear, rotary, and custom mechatronic motion solutions for diverse applications. Whether you need a prototype, component, linear guide, XYZ gantry or RTUs, our dedicated team crafts innovative designs from initial concept to final execution, for an effortless installation. Our Signature Experience guarantees we deliver on time, on budget, ensuring your vision becomes a reality.

Continental ContiTech

www.contitech.us

DM-IDEX contact:

Diana Ignagni, Account Executive
416- 948-8215
diana.ignagni@continental.com

Products manufactured: A,C,F,H

Vertical market specialties:

Continental is a premium brand manufacturer of a full line of power transmission drive belts for a wide variety of applications and markets. From V-Belts, Synchronous belts, banded belts to specialty belts, Continental delivers the right solution every time.

Unique products/services:

Continental engineers advanced power transmission drive systems to solve any drive issue. Our Product Application staff is second to none, and is backed by a professional Sales team that focuses on the Customer!

Daido Corporation of America

www.daidocorp.com

DM-IDEX contact:

Greg Madlinger
615-323-4020
madlingerg@daidocorp.com

Products manufactured: C,F

Vertical market specialties:

Food processing, packaging, oil field, conveyor systems, steel, paper, aggregate & bottling.

Unique products/services:

Fit "X" Ring Chain, "X" Ring Sealed chain, double guard chain, "UR" self lube chain, "TK" low temp chain, Stainless steel attachment chains, "K" & "HK" Hi-Power chain & "Rig-Redi" oil field chain.

Dayco Incorporated

www.daycoproducts.com

DM-IDEX contact:

Kristian Campbell, Industrial Markets Product Manager - N.A.
403-312-1058
kristian.campbell@dayco.com

Products manufactured: C

Vertical market specialties:

Dayco Incorporated provides products for service in the following industries: Agriculture, Construction, Industrial, Lawn & Garden, Light Commercial Vehicles, Marine, Medium and Heavy Vehicles, Minivans & SUVs, Passenger Cars, Power Generation, and Recreational Vehicles

Unique products/services:

Dayco Incorporated is proud to be re-entering the industrial power transmission market globally. With a dual offering of both premium products (Gold Label) and our economy line (Drive Rite) in v-belts, our HT Power synchronous belt lines, and our continuing range of Powersport CVT belts. Thus ensuring that Dayco has the right product for your every need.

Dodge Industrial, Inc.

www.dodgeindustrial.com

DM-IDEX contact:

Mario Lacasse, Canada Division Manager
418-883-6951
mlacasse@dodgeindustrial.com

Products manufactured: B,C,F,G,I,N

Vertical market specialties:

All industrial markets

Unique products/services:

U.S.-manufactured mounted bearings, enclosed gearing, power transmission components, and IIoT solutions

Encoder Products Company

www.encoder.com

DM-IDEX contact:

Mike Erikson, Technical Sales & Marketing Manager
800-366-5412
mike.erikson@encoder.com

Products manufactured: E

Vertical market specialties:

Packaging, material handling, food & beverage, printing, converting, imaging, aviation, medical equipment, wire-rope-cable mfg., and outdoor mobile equipment

Unique products/services:

Rotary encoders for industrial applications, including incremental, absolute and multi-turn absolute. Originators of the cube encoder and tru-trac linear measurement encoder. All Accu-coder™ encoders are covered by 3-year warranty and have 4-6 day standard lead-time., next day expedites offered as well as extensive cross reference library. Heavy duty industrial encoders are our specialty. IP67 and 120C rated. ISO9001: 2008 all products made in USA.

Garlock Sealing Technologies

www.garlock.com

DM-IDEX contact:

Manny Daumas, Channel Manager - Eastern Canada
226-820-5484
manny.daumas@garlock.com

Products manufactured: H,N

Vertical market specialties:

Garlock solutions provide industry-leading sealing integrity and performance in the following industries: Chemical Processing, Food and Beverage, Marine, Mining, Nuclear, Oil and Gas, Pharmaceutical, Power Generation, Primary Metals, Pulp and Paper, Water and Waste Water, EPC and OEM. Garlock delivers innovative solutions that improve plant productivity, reduce costs and comply with increasingly stringent environmental regulations in the following categories: Gaskets, Oil Seals, Expansion Joints, Compression Packing, Hydraulic Components, Mechanical Seals, Bearing Isolators, Butterfly Valves, Rubber Products and Diaphragms.

Unique products/services:

Garlock delivers innovative solutions that improve plant productivity, reduce costs and comply with increasingly stringent environmental regulations in the following categories: Gaskets, Oil

Seals, Expansion Joints, Compression Packing, Hydraulic Components, Mechanical Seals, Bearing Isolators, Butterfly Valves, Rubber Products and Diaphragms.

Gates Corporation
www.gates.com

DM-IDEX contact:
Matthew Lapolice, Director-Industrial Sales Canada
519-209-5217
matthew.lapolice@gates.com

Products manufactured: A,C,F,H

Vertical market specialties:
Agriculture, Automotive, Bicycles, Construction, Consumer Equip, Manufacturing, Industrial Equip, HVAC, Lawn & Garden, Machine tools, Mining, Oil & Gas, Food & Beverage

Unique products/services:
Polychain, V-belts, TPU

Hutchinson
www.hutchinsontransmission.com

DM-IDEX contact:
Claire Baumont
248-897-1010
claire.baumont@gmail.com

Products manufactured: C,F

Vertical market specialties:
Conveyor belts for 1.9 and 2.5 inch roller systems. Industrial belt drive specialist - Agriculture, aircraft/helicopter, fitness equipment, floor care, appliance, oil field, air handling, mining, diesel engines, and lawn equipment.

Unique products/services:
Flexonic belts, conveyxonic belts, pallet drive hubs - 2.5", hydraulic linear tensioners, thermoset pulleys, full engineering support for all drives - electric diesel gas.

IKO International, Inc.

www.ikont.com

DM-IDEX contact:

Shintaro Harumoto, President, Canadian Operations

973- 402-0254

sharumoto@ikonet.co.jp

Products manufactured: B,E,L

Vertical market specialties:

IKO serves customers in a range of industries. From medical and life sciences to automation, automotive, semiconductor and robotics, our quality linear and rotary motion products provide reliable, accurate, smooth motion. Applications where IKO products are used include, semiconductor wafer handling machines, robot wrist and arm joints, medical imaging equipment, automobile manufacturing equipment, printers and presses, and many more.

Unique products/services:

IKO C-Lube maintenance-free technology eliminates the need for routine lubrication maintenance, reducing downtime and overall maintenance costs. C-Lube is available in ML and MX linear guides and maintenance-free cam followers. IKO LWLF2 Miniature Linear Guides are ultra-small guides that have the lowest sectional height in the industry along with high accuracy and ultra-light weight. IKO Crossed Roller Bearings can handle axial, radial and moment loads simultaneously to perform complex tasks. Their compact size and simplified mounting make them the lowest cost precision joint.

JIE USA Inc.

www.jie-drives.com

DM-IDEX contact:

Martin Roberge, Regional Sales Manager

630-580-9986

mroberge@jie-drives.com

Products manufactured: A,I,E,J

Vertical market specialties:

Provide total drive solution

Unique products/services:

JIE products are designed and manufactured with world class standard to exceed needs to our global customers. JIE not only provides products but offers total drive solution and continues to

**PTDA 2024 Canadian Conference
DM-IDEX Directory**

fulfill our customers needs after sales. Our facility, at Carol Stream, IL, ensures shortest possible lead time and repairs.

Joyce Dayton Corp.

www.joycedayton.com

DM-IDEX contact:

Mark Burleson, Strategic Distribution Manager

937-294-6261

mburleson@joycedayton.com

Products manufactured: L

Vertical market specialties:

Joyce Products are used in a wide variety of industries including, but not limited to Aerospace, Automotive, Food & Beverage, Oil & Gas, Material Handling, Metalworking, Military/Defense, Packaging, Paper, Steel and many others.

Unique products/services:

Joyce is a 150 year old company that provides standard and customized machine screw jacks with capacities from 250 lbs to 250 tons, ball screw jacks, electric cylinders, ComDrives (jacks with gear reducer & motor), anode jacks, stainless steel jacks, bevel gear jacks and complete lifting systems. We also offer a jack sizing tool (JAX software), 3D model downloads as well as competitive pricing and lead times.

Lafert North America

www.lafertna.com

DM-IDEX contact:

Doug Backman, Director of Sales North America

905-629-2852

Doug.backman@shi-g.com

Products manufactured: A,E,G,I,J,M,N

Vertical market specialties:

Fans, Pumps, Food Processing, ventilation, conveyors, elevators, carwash, wind, mixers, oil and gas, tool cutting, fitness equipment

Unique products/services:

Lafert North America Inc. brings you the finest in Italian manufactured IEC metric motors, Coolant Pumps and gearboxes. Motor customization and local inventory in North America is our advantage. Replacing oddball foreign motors, that are sometimes costly to repair and difficult to

**PTDA 2024 Canadian Conference
DM-IDEX Directory**

source is one of Lafert North America's specialties! Our fastest growing product line includes high performance IE5 Ultra Premium efficiency PM Motors.

Martin Sprocket & Gear Inc.

www.martinsprocket.com

DM-IDEX contact:

Shawn Grant, VP Canada

905-670-1991

sgrant@martinsprocket.com

Products manufactured: C,F,G,I,N

Vertical market specialties:

Paper & Pulp, Cement, Aggregate, Food Processing (Beef, Pork, Poultry), Waste Water Treatment, Ethanol, Mining, Oilfield, Sugar, Salt, Agriculture

Unique products/services:

Sprockets, Sheaves, Bushings, Synchronous, Couplings, Gears, Gear Rack, Conveyor Pulleys, Idlers, Screw Conveyor, Bucket Elevator, Drag Conveyor

Megadyne Canada - Jason Industrial

Optibelt Corporation

www.optibelt.com

DM-IDEX contact:

Ian Budziszyn, Vice President - Business Development
905-608-0101
i.budziszyn@optibelt.ca

Products manufactured: A,C,F,G

Vertical market specialties:

Optibelt has local fabrication for specialized urethane timing belts with backings, cleats and modifications that you see in food processing, packaging, logistics and distribution and many other applications along with our well know and traditional industry leading rubber v-belts and timing belts for any industry including HVAC, lumber, pulp and paper, mining, cement, agriculture, oil and gas, manufacturing and many other segments.

Unique products/services:

Red Power 3 and Super XE Power Pro – maintenance free v-belts for improved belt life Delta Chain – Polyurethane timing belt with carbon cords Alpha Pinjoin – Mechanically join urethane timing belts on your machine to minimize end user downtime. Alpha ATC – Modular polyurethane timing belt for quick belt replacement and customizable cleat locations. 3D printed cleats available to help reduce cost and lead time for attachable cleats.

Pfannenber USA

www.pfannenberusa.com

DM-IDEX contact:

Barb Ross, Director Channel & Representatives
716-473-0933
barbara.ross@pfannenberusa.com

Products manufactured: E

Vertical market specialties:

Energy - Energy Storage / Charging Stations, Food & Bev Processing/Packaging, Low Voltage Drives, Electrical Enclosures, Infrastructure, Industrial Data, Automotive, Manufacturing, Material Handling

Unique products/services:

Electrical Enclosure Cooling (Filterfans, Cooling Units, Air/Air and Air/Water Heat Exchangers, Heaters and Thermostats) • Signaling Technologies (Audible & Visual Alarms, Combo Alarms, Stacklights) • Liquid Cooling (Packaged Chillers for Process Cooling)

Renold

www.renoldjeffrey.com

DM-IDEX contact:

Rick Hamilton, President Renold Canada
800-265-9970 x6200
rick.hamilton@renold.com

Products manufactured: C,F

Vertical market specialties:

Renold Jeffrey is recognized throughout the industry for its ability to create specific solutions to customers' unique requirements. The Renold Jeffrey organization is worldwide and provides Engineered and Roller Chain products and solutions. Renold Jeffrey has more than 125 years of experience in the design and manufacture of power transmission products, which underwrites the guaranteed quality and the assurance of reliability. International companies and industries from Steel to Food Processing to Escalators to Mining operations have chosen Renold Jeffrey to solve their problems.

Unique products/services:

Standard Roller Chain and Accessories, including speciality lines such as corrosion resistant chain, custom and standard attachment chain; Problem Solver Chain; and Engineered Chain which is designed to adapt to specific industries and exceed demands.

Ringball Corporation

www.ringball.com

DM-IDEX contact:

Gus Muho, General Manager
905-826-1100
muho@ringball.com

Products manufactured: B,C,D,F,G,H,I,L,N

Vertical market specialties:

Unique products/services:

"RBL" Branded bearing and PT Products.

Scheerer Bearing Corp.
www.scheererbearing.com

DM-IDEX contact:

Products manufactured: B

Vertical market specialties:

Markets: Corrugators/Pulp & Paper, Agg and Mining, Oil and Gas, Steel and Metals, Material Handling, Coal

Unique products/services:

Bearing manufacturer specializing in: -2 in - 100 in bore -Ball Bearings -Cylindrical roller bearings -Spherical roller bearings -Tapered roller bearings -Slewing bearings - Reconditioning/Modification services.
