TABLE OF CONTENTS

SECTION ONE: OVERVIEW
How to Use This Report .......................................................... 3
Methodology ........................................................................ 4
Acknowledgements ................................................................. 5
Product Class List ................................................................. 6
Product Class Definitions ....................................................... 7-8
Executive Summary ............................................................. 9-10
PTDA Distributor Survey Demographics ................................. 11-12
PTDA Manufacturer Survey Demographics ............................ 13
PTDA Manufacturer Channels to Market ................................ 14
Importance of Product Categories to PTDA Manufacturers ....... 15

SECTION TWO: U.S. MARKET
U.S. Markets Overview ......................................................... 17
PTDA Distributor Product Mix: U.S. ........................................ 18
Consumption by End-Market in the U.S. ................................. 19-20
Consumption by End-Market in the U.S.: Top 20 End-Users ....... 21
U.S. Regional Overview ....................................................... 22
PTDA Distributor Product Mix by U.S. Region ......................... 23
PTDA Product Mix by Distributor Size ................................... 24
Other Products Offered by PTDA Members ............................. 25
Market Size by U.S. State ...................................................... 26-77

SECTION THREE: CANADIAN MARKET
Canada Markets Overview .................................................... 79
PTDA Distributor Product Mix: Canada .................................. 80
Consumption by End-Market in Canada ................................. 81-82
Consumption by End-Market in Canada: Top 20 End-Users ....... 83
Canada Province Overview ................................................ 84
Canada Product Mix by Province: Total Market ...................... 85
Canada Product Mix by Province: Distributor Available Market ........................................................................... 86

SECTION FOUR: MEXICAN MARKET
Mexico Markets Overview ..................................................... 88
Consumption by End-Market in Mexico .................................. 89-90
Consumption by End-Market in Mexico: Top 20 End-Users ....... 91

CONCLUSION
About Industrial Market Information .................................... 93
About Channel Marketing Group .......................................... 94

PAGE 6  PRODUCT CLASS LIST
Includes PTDA’s 14 product families and expands upon certain categories (e.g., bearings is segmented into roller bearings, ball bearings and mounted bearings).

PAGE 17  U.S. MARKETS OVERVIEW
End-users in the U.S. purchased $54 billion in power transmission/motion control products. Learn how much was purchased in each of the 14 product categories.

PAGES 19-20  CONSUMPTION BY END-MARKET IN THE U.S.
How much of each of the 14 product categories of power transmission/motion control products were sold in manufacturing, construction, mining, transportation and other?

PAGE 83  CONSUMPTION BY END-MARKET IN CANADA
Which end-user market accounts for more than U.S. $1,563 million in PT/MC product purchased in Canada?

PAGES 89-90  CONSUMPTION BY END-MARKET IN MEXICO
Beyond manufacturing, which end-user market has potential demand for more than U.S. $424 million of PT/MC product?
